**CIRCULAR 12 OF 2026:
CONDUCT OF PLAYERS WEARING NIBA ATTIRE**

Dear Presidents, Players and Captains

The NIBA Executive wishes to take this opportunity to remind all players, captains and officials of their responsibility when representing the Natal Inland Bowling Association, whether formally on duty, in a team environment, or when wearing official NIBA attire.

While camaraderie and social interaction form an important part of representative tournaments and tours, players are reminded that their conduct, both while wearing NIBA colours and while representing the district in any capacity, reflects directly on the Association. All those representing NIBA are expected to uphold the values, standards and reputation of the district at all times, both on and off the green.

Players are further reminded that decisions made off the green, including conduct, preparation, rest and general behaviour, can have a direct impact on individual performance, team results and the overall standing of NIBA at representative events. Every match and every point contributes to the broader success of the district.

Recent events, including observations following the KZN Quadrangular, serve as a timely reminder ahead of forthcoming competitions, including the Inter-Districts. This communication is intended purely as an awareness measure, and no disciplinary action is being taken. However, players should note that any conduct that is inappropriate, unbecoming, or brings the district into disrepute, whether in NIBA attire or while representing the district, may result in disciplinary action, in accordance with NIBA disciplinary procedures. Detailed expectations are outlined in the NIBA Modus Operandi and Code of Conduct.

We request that all Presidents and Captains please share this reminder with their members and teams and assist in ensuring that the proud image of Natal Inland bowls is upheld at all times.

Thank you for your cooperation and continued support.

Kind regards

Tara Janse van Rensburg

PRESIDENT
