**CIRCULAR 18 OF 2026:
NOMINATIONS FOR THE SELECTION STANDING COMMITTEE
MEN AND WOMEN**

Nominations are called for the appointment to the Men's and Women's Selection Standing Committees for the period April 2026 to 31 March 2027.

When nominating members, clubs should take into consideration the following ideal criteria for a District selector:

1. Have the interest and growth of the District at heart.
2. Must be willing to come and watch players play in District Competitions.
3. Must be unbiased when it comes to club allegiance.
4. Be familiar with the Selection process and parameters of selection.
5. Preferably not be a current player vying for selection themselves.

Our goal as a small district is to send away teams that are medal contenders, based on their skill level, work ethic and lastly their compatibility as a team.

Serving as a District Selector is an onerous task, but it is also an incredible privilege.

Please nominate people that meet the outlined criteria. Nominees must sign their acceptance on the attached form.

Although a member of the Selection Committee could be under consideration as a player, it would be preferable that they are not.

Nomination forms are to be returned to NIBA no later than Thursday, 16 April 2026.
